Open Rank Faculty Openings

Department of Industrial Engineering and Engineering Management

National Tsing Hua University, Hsinchu, Taiwan

Department of Industrial Engineering & Engineering Management at National Tsing Hua University is the top IE department in Taiwan. The department invites applications for several tenured/tenure-/non-tenure-track faculty positions. A Ph.D. degree or Ph.D. candidacy in related field(s) is required. The level of appointment will be commensurate with the qualifications of the applicant.

Candidates are sought with interests that complement and expand upon current research and teaching activities in the department. Cross-disciplinary areas are particularly welcome. Research areas of interest include, but are not limited, to:

- operations research,
- ergonomics
- advanced manufacturing
- information technology
- global logistics
- healthcare
- service management
- engineering management
- artificial intelligence application

In addition to research, successful candidates are expected to have a strong commitment to teaching courses in both Chinese and English.

The positions will remain open until filled; however, applications should be received by April 30, 2023 to ensure full consideration.

Please submit application materials to Chair of Faculty Search Committee in electronic version containing:

- A curriculum vitae with a publication list
- Statements of research & teaching interests/objectives clearly indicating the research area(s) and courses/levels to offer
- A transcript for graduate studies
- Three recommendation letters

Prof. Kuo-Hao Chang, Chair, Faculty Search Committee
